light then that. I certainly would withdraw my motion. I think we have a very unfortunate situation.

SENATOR SAVAGE: I didn't ignore you, Senator Murphy. I didn't see your light. You were not ignored, you were overlooked, I'm sorry.

SENATOR KELLY: Mr. President.

SENATOR SAVAGE: Senator Kelly.

SENATOR KELLY: Mr. President, my motion was predicated on a sheet that we received this morning in the procedure of action. LB 76 is listed on Select File. My political move was based on the information that I received here. I still believe that the vote that we had previously does not, in anyway, allow the members of this Legislature to discuss this very important issue. The proponents, namely Frank Lewis, did an excellent job making his pitch for the bill. Certainly there is some procedure that Senator Murphy and Senator Kelly can make their pitch against the bill. You've ruled me out of order. I believe that to be proper. I request your indulgence and your leadership to get me the floor so that I can speak on this bill.

SENATOR SAVAGE: Do you have a motion here on the desk, Senator Kelly?

SENATOR KELLY: Mr. President, you ruled that motion out of order that it's in E & R. The motion by Senator Murphy, to return to Select File to strike the enacting clause, has never been discussed.

CLERK: We put a motion on your desk, Senator, that would be proper.

SENATOR KELLY: Thank you very much, Mr. Clerk. Mr. President, I move to return LB 76 to Select File for the specific amendment to indefinitely postpone.

SENATOR SAVAGE: The motion is to return LB 76 to Select File to indefinitely postpone. It's identical to Senator Murphy's motion that was defeated.

SENATOR KELLY: I believe he was striking the enacting clause. Same thing?

SENATOR SAVAGE: Senator Lewis.

SENATOR F. LEWIS: Mr. President, is that a reconsideration, or can we do that all day?

SENATOR SAVAGE: It's a reconsideration. Were you on the prevailing side, Senator Kelly?

SENATOR KELLY: No, I would have been on the losing side. But I certainly would expect a little cooperation from a colleague who was on the other side to give us a chance to discuss this bill.

SENATOR SAVAGE: Senator Duis.

SENATOR DUIS: I so move.
